Holy is the Father who chose to send His Son
Perfect is the Savior, the sacrificial One
Sacred was the cleansing blood that poured out of His
hands
And righteous is Your power that can change the heart
of man

Here I will kneel before You
I vow to fall down and adore You
I've got to feel the touch of Your hand
I know I've got to feel the touch of Your hand

(chorus)
Worshipful, mighty, reverent, holy is Your name
From the beginning to forever You'll always be the
same
You are the only way, You are the truth, You are the life
You are the only way, You are the truth, You are the life

Holy, the Redeemer, a tortured innocent man
Perfect was His broken body that died and rose again
And sacred are these words He gave us, written by His
hand
And righteous is His kingdom where we will live with
Him

Here I will kneel before You
I vow to forever adore You
I've got to feel the touch of Your hand
I know I've got to feel the touch of Your hand

Worshipful, mighty, reverent, holy is Your name
From the beginning to forever You'll always be the
same

You will never leave or forsake us
There is no one that can separate us
Just as long as we confess these words
There will be no end

God, will You forgive me?
God, make this blind man see

God, in You I believe
God, through Your Son redeem me

Here I will kneel before You
I vow to fall down and adore You
I've got to feel the touch of Your hand
I know I've got to feel the touch of Your hand

(chorus)
