(J. Entwistle)

I got a girl with black hair
Got a red head and she's a dead head too
Got a two tone blonde and one that matches
But I ain't got you
I've had too many years of one-night stands
Too many "just good friends" too many ships that sank
in the night
I never sail again.
There are bridges under the waters but love that fly in
my friend
I'm looking for love not a lover, a love that doesn't have
to end
I've had too many years of one-night stands too many
just good friends
And too many ships that sank in the night
I never sail again.
Now I'm ready, ready for love
Ain't no doubt about it, I'm looking for love
And I'm looking for you, and I'll be looking for me.

Bridges under the water
Hello, good-bye and a-men

I'm looking for love not a lover, a love that doesn't have
to end
I've had too many years of one-night stands too many
just good friends
Too many ships that sank in the night
And never sail again.

(Guitar Solo)

Now I'm ready, ready for love
Ain't no doubt about it, I'm ready for love
I followed you to the gates of hell
I followed you to the Bates motel
I'm ready, ready for love
And I'm looking for you, but are you looking for me
Said I'm ready, ready for your love

Ain't know doubt about it baby, but I'm ready for
love.....
