Had Enough

I've had enough of being nice
I've had enough of righting wrong
I've had enough of trying to love my brother
I've had enough of being good
I'm doin' everything like I'm told I should
If you need a lover, you'd better find another

Life is for the living
Takers never giving

Suspicion takes the place of trust
My love is turning into lust
If you get on the wrong side of me, you better run for
cover
I've had enough of being trodden on
My passive days are gonna be long gone
If you slap one cheek well I ain't gonna turn the other

Life is for the living
Takers never giving

Fooling no one

But ourselves
Good is dying
Here comes the end, here comes the end of the world

I'm gettin' sick of this universe
Ain't gonna get better, it's gonna get worse
And the world's gonna sink with the weight of the
human race
Hate and fear in every face
I'm gettin' ready and I've packed my case
If ya find somewhere better, can you save my place?

Fooling no one
But ourselves
Love is dying
Here comes the end, here comes the end...of the world
