On top of the sky  
Is a place where you go  
If you've done, nothing wrong  
If you've done nothing wrong

And down in the ground  
Is a place where you go  
If you've been a bad boy  
If you've been a bad boy

Why can't we have eternal life  
And never die?  
Never die

In the place up above  
You grow feather wings and you fly  
'Round and 'round  
With a harp singing hymns

And down in the ground  
You grow horns and a tail  
And you carry a fork  
And moan and wail

Why can't we have eternal life  
And never die?  
Never die

On top of the sky  
Is a place where you go  
If you've done, nothing wrong  
If you've done nothing wrong

And down in the ground  
Is a place where you go  
If you've been a bad boy  
If you've been a bad boy

Why can't we have eternal life  
And never die?  
Never die
