California, I gotta warn ya
Keep thinking while I'm away,
Because I'm coming back
I'm coming back.

Shangri-la you ain't that far
Just over the rainbow bar,
You know I'm coming back
I'm coming back
If I can find a way
I'm coming back.

It's a small world, if you seen it time after time
So many cities, you can never be everywhere
I've seen places, I've seen faces I never want to see
again
Nice place to visit, but I wouldn't want to live there.

(Guitar Solo)

London town don't wear that frown

I won't let you down,
You know I'm coming back
I'm coming back

Here I am again, back on the plane
Only thing that keeps me sane,
Is the fact I'm coming back
I'm coming back
I don't know exactly when,
But I'm coming back.

I'm coming back, I'm coming back
Back, back, back, back, back, back
