(Please Wake Me Up)

Now I'm asleep what shall I dream of tonight
Now I'm asleep what shall I dream of tonight
Will it be girls or will it be money
Will it be sad or will it be funny
Will it be raining or will it be sunny
Tonight, tonight.

Please wake me up
I'm having a nightmare
Please somebody wake me up
I'm having a nightmare
And it doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
Please wake me up
I'm having a nightmare.

Please wake me up
I'm having a nightmare
Please somebody wake me up
I'm having a nightmare

And it doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
Please wake me up
I'm having a nightmare
Please somebody wake me up
I'm having a nightmare
And it doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop
It doesn't feel like it's ever gonna stop.
