"Pressure Down"

Set the wheels in motion and watch them turning round

I want to sail across the ocean

I've grown weary of this town.

Take the pressure down

'Cause I can feel it

It's rising like the storm.

Take hold of the wheels and turn them around

Take the pressure down.

In this city full of danger we lead our seperate lives.

And I was frightened by a stranger

With desperation in her eyes.

Take the pressure down

...

Someone turned the pressure on

I called your name and you were gone.

And I was trapped like a prisoner in this lonely town

I'm gonna let things slide until the pressure comes
down.

Oh

The winner tells his story

The loser hides in shame

The winner steals the glory while the loser takes the
pain.

Take the pressure down

...

Take the pressure down

...

Take the pressure down

...

Take the pressure down

...
