When you move in right up close to me  
That's when I get the shakes all over me  
Quivers in my backbone  
I got the shakes in my kneebones  
Quivers in my thighbone  
Shakin' all over

Just the way that you say goodnight to me  
Brings this feelin' all inside of me  
Quivers in my backbone  
I got the shakes in my kneebones  
Quivers in my thighbone  
Shakin' all over

(Solo)

Quivers in my backbone  
I got the shakes in my kneebones  
Quivers in my thighbone  
Shakin' all over
