The honest spirit been blue iced
It's chilling me to the bone
Maybe now it's right
Yeah, I think that it's time to go

Every nation all around
Feeling kind of weird
Faster than both light and sound
I think I'm gonna disappear

'Cause I'm a stranger in a strange land
Just a stranger, a solitary man
All alone I stand
Just a stranger in a strange land

By the time you hear my voice
I already will be gone
I don't have much choice
I already stayed too long

In another place and time
I'll find where I belong
Until that day arrives
I guess I'll be moving on

'Cause I'm a stranger in a strange land
Just a stranger, a solitary man
All alone I stand
Just a stranger in a strange land
Yeah, yeah

No matter where I go
I feel like a refugee
I guess somewhere I know
There's got to be a place for me

I feel so lonely, yeah
No matter where I go
I feel like a stranger, yes, I do
Yes, I do, I feel like a stranger

I'm a stranger in a strange land

Just a stranger, a solitary man
I'm a stranger in a strange land
Just a stranger, a solitary man

Yeah, yeah, I feel like a stranger
I feel like, I feel like a stranger
