I just saw Suzie the other day  
Man, she was looking fine  
She's the one that I want  
Baby, she's a right on time

Suzie won't tell a soul  
When I want her love  
I get so out of control  
When I need a little ass

Suzie, you make me feel  
Suzie, you make me feel

There she is in red-hot heels  
On her heart shaped bed  
Holding on to teddy bear  
I wish it was me instead

Little Suzie on a sandy beach  
Wearing a piece of string  
Does the girl know how I feel  
Showing me everything?

Suzie, you make me feel  
Suzie, you make me feel

Well, I run right home after school  
I get there quarter to four  
I say hi to my mom and dad  
Then I go and lock the bathroom door

My mom gets so upset  
Daddy says "It's just a stage"  
All I know is when I need the girl  
I go in by the page today

You make me feel  
Suzie, you make me feel  
Suzie, you make me feel  
Suzie, you make me feel

Keep your shoes on, babe

I said, Su-Su-Suzie  
I love it, I love it

Spank the monkey baby, spank the monkey  
She's as tight as you want  
She's as tight as you want  
Yes, she is, hey, hey, oh

Suzie, I really love the girl
