The whole world is full of people living lives of worry  
What's the hurry, who cares?  
The whole world is full of people wasting time just  
thinking  
Thinking that they're sinking, who cares?

Don't care was made to care  
Don't care was tried  
Don't care was hung by his worries 'til he nearly died.

Some people think I'm crazy  
Others just think I'm lazy  
But I know that I'm stronger  
People say that I neglect my responsibilities  
But I don't mind cause I'll live longer.

Everybody says they pay their bills the day they're sent  
I don't even pay my rent, who cares?  
Everybody says they need their breakfast every  
morning  
I'm satisfied with yawning, who cares?

Don't care was made to care  
Don't care was tried  
Don't care was hung by his worries 'til he nearly died.

Some people think I'm crazy

Others just think I'm lazy  
But I know that I'm stronger  
People say that I neglect my responsibilities  
But I don't mind cause I'll live longer.

Don't care was made to care  
Don't care was tried  
Don't care was hung by his worries 'til he nearly died.

Some people think I'm crazy  
Others just think I'm lazy  
But I know that I'm stronger  
People say that I neglect my responsibilities  
But I don't mind cause I'll live longer.

The whole world is full of people living lives of worry  
What's the hurry, who cares?  
The whole world is full of people wasting time just  
thinking  
Thinking that they're sinking, who cares?
