A day in the life of a fool
A-a sad and a long lonely-y day
I walk the avenue
And hope I'll run into
The welcome sight of you
Comin' my way

I stop just across from your door
But you're not alone any more
So back, back to my room
And there in the gloom
I-I cry tears of good bye-ye-ye

Till you come back to me
That's the way it will be
Everyday in the life of a fool

I stop just across from your door
But you're not at home any more-ore-ore
So back, so back to my roo-oom
And there in the gloom
I-I cry tears of good bye-ye

Till you come back to me
That's the way it will be
Everyday in the life...
Of a fool...
