Everything is out of season
The price of love is higher than the moo-oo-oon
Everything is out of season
Your kiss is like a wint'ry fall in June
And quite soo-oon, you will be go-one
Everything is out of season
Your taste is like a frozen tangari-i-ine
Shivering without a reason
I think that's gonna be the promont'ry
Too much sunshine has come my way-ay-ay, baby
I can see you're lookin' fine
Lovin' kept on ice I can use anytime
To love was so much warmer on a colder day
Not so far away
And there's somethin' very strange that I just had to
say-ay...
Everything is out of season
And dreams have got a way of growin' o-o-old
Everything is out of season
I think I've gone and caught a summer cold
And quite soo-oon, you wi-ill be go-one, yeah, baby
Alright (ahh-ahh - ahh-ahh)
I can see you're lookin' fine
Lovin' kept on ice I can use anytime
To love you was so warmer on a colder day
Not so far away
And there's somethin' very strange that I just had to
say-ay-ay
Wh-oh-woh-oh, everything is out of season, yeah
Dreams of got a way of growin' old, baby
Everything is out of season
And I think I've gone and caught a summer cold
And quite soo-oo-oon, you will be go-one, baby
Everything is out of season (ahh-ahh)
Everything is out of sea-eason (ahh-ahh)
Everything is out of sea-eason, baby (ahh-ahh) [fade]
