The morning sunlight
Move gently on our bed
The sounds of distant traffic
Float into my head
Eyes slowly open
And words won't be enough
But what is left unspoken
Burns softly in your touch

-[Chorus]-
Hold me in your arms
Hold me in your arms
So my love,
Hold me in your arms

Time moves without us
This room will be untouched
We're safe beneath the truth now
Both safe within this love

-[Chorus]-
Hold me in your arms
Hold me in your arms
So my love,
Hold me in your arms

And Oh
The heart in me
Feels more than you can see
I can't get close enough
Every single day
Is ours to feel this way
I can't get close enough
Never close enough

-[Chorus]-
So, Hold me in your arms
Hold me in your arms
So my love,
Hold me in your arms

So, My love

Hold Me In You Arms
