The tale is told, of a mighty land  
Great tempest ocean, shifting sand  
Of an ancient lore, in the ancient right  
This is one in tribal might

After an age, of a harmony  
Came a reign, based on greed  
They say that all roads lead to Rome

But now it's changing  
Now the time has come  
Now it's changing  
Now the time has come

So spare your heart, bare your breast  
For the light that fades, into the west  
Once more shall rise, as glory dawns

And now it's changing  
And now the time has come  
Now it's changing  
Now the time has come  
Now it's changing, changing  
Now the time has come
