May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold

You're just like a great and strong brother of mine  
And you know that I love you true  
You never talk dirty behind my back  
And I know that there's those that do

Please won't you, please won't you bear it in mind?  
Love is a lesson to learn in our time  
Please won't you, please won't you bear it in mind for  
me?

May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold

Oh, you're just like a good and close sister to me  
And you know that I love you true  
You hold no blade to stab me in my back  
And I know that there's those that do

Please won't you, please won't you bear it in mind?  
Love is a lesson to learn in our time  
Please won't you, please won't you bear it in mind for  
me?

May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold

Well, you're just like a great and strong brother of mine  
And you know that I love you like I should  
You never talk about me behind my back  
And I know that there's times you could

Oh, please won't you, please, please bear it in mind?  
Life is a lesson to learn in our time  
Won't you, please won't you bear it in mind for me?

May you never lose your temper

If you get hit in the bar room fight  
May you never lose your woman overnight

May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold

Oh, please won't you, please, please won't you bear it  
in mind?  
Life is a lesson to learn in our time  
Won't you, please won't you bear it in mind for me?

Yeah, please won't you, please won't you bear it in  
mind for me?  
Please, please, please won't you  
Please, won't you bear it in mind for me?
