What did I do  
Before the day I set my eyes on you?  
Spending my time  
Just working at the things I had to do

And then I saw your face  
I was captured heart and soul  
You gave me so much more

You're the reason why  
I listen in the night  
And steal the softest kisses  
While you sleep

You're the reason why  
Tears will fill my eyes  
Just looking at a photograph  
Of you

Touching my frown  
Tell me what you read between the lines  
Every thing's alright  
I know sometimes I act a little strange

You bring me so much joy  
Conversations make me smile  
How could I love you more?

You're the reason why  
I speak with foolish pride  
Whenever there's a chance  
To show you 'round

And you're the reason why  
I lost this heart of mine  
At the very moment  
You arrived

And I can't believe this life  
Was ever lonely  
No, I can't imagine life  
Before you

You're the reason why  
I'm holding on so tight  
I never want to let  
This feeling go

And you're the reason why  
My love will never die  
My heart just could not sing  
If not for you

What did I do  
Before the day I set my eyes on you?
