I used to smoke five packs of cigarettes a day-ay
It was the hardest thing to put 'em away-ay
I drank four or five bottles of wi-ine
I had a glass in my hand all the ti-ime

Oh, breakin' those habits was hard to do-oo
But it's nothin' compared to the changes
You put me through

I'm tryin' to live my life without you babe
It's the hardest thing I'll ever do-oo (I'll ever do)
Tryin' to forget the love we once shared
It's the hardest burden I'll ever bear-ear (I'll ever bear)
Ah baby, yeah-yeah

I had the worst reputation arou-ound
For chasing all the women in tow-own
I thought changin' my way of livin' was hard to do
But the worst habit to break baby, is lovin' you-ou

I've done everything I've tried to do-oo
But it's gonna take a miracle to get over losin' you-ou

I'm tryin' to live my life without you babe
It's the hardest thing I'll ever do (I'll ever do)
Tryin' to forget the love we once shared
It's the hardest burden I'll ever bear (I'll ever bear)
Oh yeah, wooh-hooh-oo-oo, yeah-eah

I've done everything I've ever tried to do-oo
But it's gonna take a miracle to get over losin' you-ou-
ou

I'm tryin' to live my life without you babe
It's the hardest thing I'll ever do (I'll ever do)
Tryin' to forget the love we once shared
It's the hardest burden I'll ever bear (I'll ever bear)

I'm trying to live my life without you baby
It's the hardest thing I'll ever do (I'll ever do)
Tryin' to forget the love we once shar-ar-ared

It's the hardest burden I'll ever bear (I'll ever bear)

Tryin' to live
