Daddy had a band
Playin' him a little guitar
Travel in a band
Livin' that rock 'n' roll

Night after night
People comin' up to the bandstand
You say you can't go wrong
If you play a little bit of that Creedence Song

But it was late one night
Cruisin' on down the interstate
Stopped into a diner
To get him some chili and fries

Heard the waitress tell a guy
Standin' over by the jukebox
Hey, you can't go wrong
If you play a little bit of that Creedence Song

Do do, do do, do do, yeah

But daddy took a shine
Little girl behind the counter
She was movin' her hip
To the swamp beat right on time

Said could he play somethin'
Over there on the jukebox
She said you can't go wrong
If you play a little bit of that Creedence Song

Daddy had a plan
He asked that girl to marry
With a brand new wife
They're livin' on rock 'n' roll

Night after night
She whispers, oh, so sweetly
Hey, you can't go wrong
If you play a little bit of that Creedence Song

Yeah, you can't go wrong
If you play a little bit of that Creedence Song

Do do, do do, do do, well
