Well, I don't care if the sun don't shine
I don't care if the bells don't chime just as long as you
love me
And I don't care if the tops don't spin
I don't care if the jinns won't gin just as long as you
love me

So darling, let it rain, let it snow
Let the cold north wind blow just as long as you love me
North or south, east or west
You know I will stand the test just as long as you love
me

Well, I don't care if the birds don't sing
I don't care if the bells don't ring just as long as you
love me
And I don't care if the world don't turn
I don't care if the fire don't burn just as long as you
love me

So darling, let it rain, let it snow
Let the cold north wind blow just as long as you love me
North or south, east or west
You know I will stand the test just as long as you love
me, alright
