Oh babe I wonder, just how we ever
Got so far apart
And it seems like just the other day we were happy
Holdin' hands in the dark
Here I'm standin' out in the rain
With a heart full of pain

Baby here I am, knockin' on your door
Baby here I am, knockin' on your door

Ooh! Oh girl I'm beggin', hear what I'm sayin'
Don't send me away
Just what I'm feelin', I got to tell ya
Don't say it's too late
I'm walking up and down the street
Just tryin' to get my nerve up

Baby here I am, knockin' on your door
Baby here I am, knockin' on your door

Ooh, Lord
Ooh baby, babe, I want ya, want you
Gotta keep you for all time
And I think I'm goin' crazy over you
'Cause I got to have you, got to have you

Baby here I am, knockin' on your door
Baby here I am, knockin' on your door

Pow! Just think it over, whoa babe, I know you
Will see what I mean
Try to remember, when we're together
How good life can be
I'm walkin' up and down the street
Just tryin' to get my nerve up

Baby here I am, knockin' on your door
Baby here I am, knockin' on your door

Here I am, here I am knockin' on your door
Here I am, here I am knockin' on your door
Justa justa knockin', justa justa knockin' on your door

Justa justa justa knockin', babe
Justa justa justa justa justa knockin', babe
