Everybody want it  
Everybody need it  
Everybody got to have it  
Everybody knows  
I'm lookin' for some

(Chorus)  
Sugar-Sugar  
Sugar-Sugar  
Sugar-Sugar  
In my life

When the day is over  
And the work is done  
That's when I got to find my baby  
She's the only one  
Lookin' for some

(chorus)

Mama always told me  
Now don't you be no fool  
Take some time to share your lovin'  
That's the golden rule  
Got to have some

(Chorus)
