"Telephone"

My telephone's ringin', early in the mornin'.
Somebody, gussa who? sweet baby, it's you!
Say you're callin' from the station, oh I told you "hold
on,
I'm on my way!" and all you got to say,

Chorus:

"i wonder why you had to go, been so long and now I
know,"
Sweet baby dear, everything will be allright,
'cause I've been ringin', early in the mornin',
Somebody, gussa who? sweet baby, it's you!

Chorus

Somebody, guess who? sweet baby, it was you.
Somebody, gussa gussa gussa who?
Sweet baby, it's all right. (x 5)
