Here come that good ol' travelin' band once again,  
mmm, hmm  
Back in the alley, lookin' like a long-lost friend, oh yeah  
I know for certain there won't be no jive  
We're back in business and you know we can fly, fly, fly  
Oh, my, my, travelin' high

Hey, hey, it's been a long, long time, yeah  
But if it's all right, you know you're gonna blow my  
mind, oh yeah  
'Cause I'm a natural boogie-woogie fool  
Ain't good for nothin' but chasin' down the hoochie, coo  
Oh, my, my, travelin' high, yeah

Now whatcha gonna do with that old rockin' chair,  
mmm, hmm?  
Just sit you right down and start to rock, start to rock  
Start to rockin' away from here  
'Cause you ain't nothin' but a struttin' fool  
Back in the alley with the hoochie, coochie, coo  
Oh, my, my, travelin' high, high, high, yeah
