Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?

(Wasn't that a woman?)
Took me by surprise
(Wasn't that a woman?)
Right between the eyes
(Wasn't that a woman?)
Well, I hope to believe
(Wasn't that a woman?)
Made a schoolboy outta me

Oh yeah, I got it badly
Ain't too much to figure out
Bam boom, and she had me
Oh yeah, oh yeah, oh yeah

(Wasn't that a woman?)
Watch me, watch me, watch me runnin' down the line
(Wasn't that a woman?)
Ain't she fine, ain't she fine
(Wasn't that a woman?)
Oh yeah, I'm chasin' after that
(Wasn't that a woman?)
Pure Cadillac

Oh yeah, I got it badly
Ain't too much to figure out
Bam boom, and she had me
Oh yeah, oh yeah, oh yeah

(Wasn't that a woman?)
A smile on my face
(Wasn't that a woman?)
Turn every head in the place
(Wasn't that a woman?)
Such sweet agony
(Wasn't that a woman?)
What class she lead on here with me

Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?

Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?

Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?

Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?
Wasn't that a woman?
