Let's go out tonight  
Let's go to the cinema  
We'll take a walk through the lost hotels  
We'll take a stroll through the Buy-and-sells

Let's go out tonight  
Let's go to the cinema  
Let's go out tonight  
Let's go to the cinema

I like to go out of my mind  
I want to get out of my mind  
I want you out of my mind  
Got to to get you out of my mind

You can walk into the screen  
You can watch somebody scream  
See the world through a million eyes  
Catch a vision of Paradise

Let's go out tonight  
Let's go to the cinema  
Let's go out tonight  
Let's go to the cinema

I like to go out of my mind  
I've got to get out of my mind  
I want you out of my mind  
Got to get you out of my mind

Let's go out tonight

I'll take you dancing in the rain  
I'll watch you flicker like a flame  
I see you moving frame by frame  
I watch the scene again and again

Let's go out tonight  
Let's go to the cinema  
Let's go out tonight  
Let's go to the cinema

I want to go out of my mind  
I've got to go out of my mind  
I want you out of my mind  
Got to get you out of my mind

let's go out tonight  
We'll walk out of the cinema  
I see the city in the in the rain  
I watch it flicker like a flame  
I watch the scene again and again  
I see you dancing in the rain

Let's go..  
Let's go..

I like to go out of my mind  
I've got to get out of my mind  
I want you out of my mind  
Got to get you out of my mind
