On the plaza
We're dancing slowly lit like photographs
Across the plaza
Toward the shadow of the cenotaph
Chorus:
Down escalators, come to the sea view
Behind the smoked glass no-one sees you
A familiar figure comes to meet you
I remember your face from some shattered windscreen
Across the plaza
A giant hoarding of Italian cars
Across the plaza
The lounge is occupied by seminars
(Chorus)
From the plaza
The highways curve in over reservoirs
On the plaza
A queue is forming for the cinemas
(Chorus)
On the plaza (Repeat and fade)
