t's hard for me to think when I am cold
I'm learning what it's like for me to grow old
I wish I could live like you
sleeping in my shoes
with so much left to do
go ahead tell me to free my mind
It's amazing what you can't do
when you don't try
I wish I could live like you
sleeping in my shoes
with so much left to do
uproot blow away
new shute sun ray
don't stay another day
