You're on my fingers
You're on my paper
We're close but far
Here we are there you are
You're on my weak heart
My heart is tissue
My heart's a scar
Here we are there you are
You're mellow tone
The stepping stone
To whittle away to get me home
I travel far to bed the floor.
I've come a long way,
I've come to miss
Your Mellow Tone
Mellow Tone
Mellow Tone
Mellow Tone
Where now to begin?
This deadend cove...Oh
To feel your warm skin
Beneath your clothes,
Beneath your clothes
Dilate me in your pool,
Erase my memory start anew
Hide where no one knows
Beneath your clothes
Beneath your clothes
The zenith hum,
The perfect strum
I have become completely numb
Tone of your heartbeat,
Tone of your breathing,
Tone of your fingertips
I'm receiving mellow tone...
You're mellow tone.
The stepping stone
To whittle away to get me home
I travel far to bed the floor
I've come a long way,
I've come to miss
Your Mellow Tone

The zenith hum,
The perfect strum
I have become completely numb
Tone of your heartbeat,
Tone of your breathing,
Tone of your fingertips
I'm receiving mellow tone...
