Shootin' Stars. Gilded Age  
Yeah just spill your dreams to me  
And we just hide away  
You can stay if you believe  
Just a leap of faith  
Across a busy Boulevard of Broken Dreams

And I dream about her even though I never should...  
Miss Hollywood, miss Hollywood, miss hollywood  
Yeah I would ride into the sunset if I could  
Ms. Hollywood, Ms. Hollywood, Ms. Hollywood  
So slow to fade...

Check all the Hip across the street  
Taking turns unlocking doors to fame by proximity  
Golden dreams flow like water  
and the water always wins, for good or bad  
Once you let it in

[Chorus]

Don't cry on Oscar night  
Lifted off from Mother Earth  
To find her elusive smile  
You can't buy authentic vibe

But you can checkout all the detours off the 405  
But you can stay if you believe  
But spinning gold is never easy  
When shooting stars are your dreams  
Up in the sku a star's just a star  
But funny thing, when looking up  
It seems to follow you wherever you are

And I dream about her even though I never should  
Miss Hollywood, miss Hollywood, miss Hollywood  
Yeah I could ride into the sunset if I could  
Ms. Hollywood, Ms. Hollywood, Ms. Hollywood  
And I dream about her even though I never should  
Miss Hollywood, miss Hollywood, miss Hollywood  
Yeah I would ride into the sun like Clint Eastwood  
Ms. Hollywood, Ms. Hollywood, Ms. Hollywood

So slow to fade... So slow to fade... So slow to fade...
