Shall we begin?
Gather 'round, gather all
Keep it real, strip it down
Rather not wait around

With the hungry eyes
Of a snake oil salesman
[Unverified] water to wine
Have got the patience
Haven't got the time

Saw dusty eyes some enthused
Some act the part
(But nonetheless, plan to lose)
Something wicked-good this way comes
Not twice upon a lifetime

Blackbirds, you watch 'em
They know the black clouds
They are all runnin' home
Lightning rod
(Divining toy)

When the rains come
What is your source for joy?
Looked at my life
A painted clown unamused

Keep it real, strip it down
Rather not wait around
With the hungry eyes
Of a snake oil salesman

Blackbirds you watch 'em
They know the black clouds
They are all runnin' home
Lightning rod
(Divining toy)

Home, home
They are all runnin' home
