Run away hindsight
You've shown my shrine of
Priceless regrets
I'll stay. Shame me
Naked in my Open House gallery
Why do I pull it away from me?
Thrown away my eyesight
Get away. Embrace me
Push away
Gouge out me eye
Come and play cliché, ©
Dance and prance
Make fun of me
Blind eye tempting
Afraid of my fun house
Laugh at me
How I pull it away from me
Thrown away my eyesight
Me, I'd like not to see them weep
They blind my eye
I Spy life passing by
Carve a niche
Eyes draw, I resist
