Well I just got? my money  
And I'm feelin' oh-so good  
My baby's got a?  
And she's lookin' like she should

She's workin' on a new way  
And bet she's made a scene  
I hate the way she does it, man  
But man you're really mean

Hey Bunny, you a-cookin'  
Hey Bunny, got the look, and  
Hey Bunny, got me lookin', yeah  
Hey Bunny, you're really really cookin'  
Hey Bunny, got me lookin'  
Hey Bunny, you're really really cookin'

She's  
But she's got me all confused  
Picture's on the front page  
She finally made the news

She can't cook no supper  
But I know that will love you  
She knows just how to treat you

Hey Bunny, you a-cookin'  
Hey Bunny, got me lookin', yeah  
Hey Bunny, you're really really cookin'  
Hey Bunny, you really got me lookin'  
Hey Bunny, you're really really cookin'  
Hey Bunny, you're really really cookin'

Hey Bunny, you make me feel funny  
But nighttime is somethin' that you  
Hey Bunny, my Bunny!  
Hey hey Bunny! Hey hey Bunny!  
Hey Bunny, you're really really cookin'

Hey Bunny, you really got me lookin'  
Hey hey Bunny, you really got me lookin'  
Hey hey Bunny, you're really kinda funny

Hey Bunny, my Bunny  
Hey Bunny, you're really really cookin'  
Hey hey Bunny, you really got me lookin'  
Hey Bunny, you're really really cookin'
