Shirley
Shirley I love you so
Never gonna let you go
Shirley where you going tonight?

Shirley
Shirley will you be my girl?
I take you around the world
Shirley where you going tonight?

Shirley
Shirley I buy you anything
Would you like a diamond ring?
Shirley where you going tonight?

I call Shirley's mama on the phone
She said Shirley's not at home
She said my little girl ought to be back soon
She's gone on a honeymoon

Oh, Shirley
Shirley you've done me wrong
That's why I sing this song
Shirley where you going tonight?
Shirley where you going tonight?
Shirley where you going tonight?
Shirley where you going tonight?
Shirley where you going tonight?
