no no no no no no no
no not not not not no nah
no no
no no no no no no no
no no not much not what watch

Nervous with good reason what
Nervous with no good reason
Nervous with no good reason
no no no no no no no

How come you have another when you look any way
any way?

(*tremolo effects vocals*)

you make your way and we know how
powerful/wonderful/awful(?)
spitting on your house, spit on your house, spit on your
friends and...
look/lock

How come you have another when you look any way
any way?

(*backwards vocals*)

Why?
What we mean is the first thing that we dream
The blood
