Get on top get on top

Hit me come get me I bite but she bit me

Go-rilla cunt-illa  
Sammy d and salmonella  
Come with me 'cause I'm an ass killer  
You're ill but I'm iller

I'll malinge on your block and  
Give the finger to a cop and  
Pick a lock before I knock and  
Set you up to get on top

Chorus:  
Complications of a mastermind  
Last temptation of my kind  
Extra planetary sign  
When do we align  
All in time  
Right on

Get up come sit up I light but she lit up

Grass hopper show stopper  
The life of a wife swapper  
Come with me 'cause I'm a big bopper

You do but I wopper

Exterminate my cause  
You want to draw some straws  
Be the one to see my flaws  
Make me bleed with painted claws

Chorus

Get on top get on top

Hit me come get me I bite but she bit me

Speed baller rhodes scholar

Bottom bitch and a bottom dollar  
Come with me 'cause I'm a free faller  
You hoot but I holler

I'll malinge on your block  
Give the finger to a cop and  
Pick a lock before I knock on  
Set you up to get on top
