I'll send flowers
Again for her
Blossom castle sent as her guest
A gift described
Disguised as my arrival

Nothing like full regret
Psychos did you hear
Dirty boys always seek that roller coaster
Yeah it falls, yeah I'm happy
I can sure see everything
Gather 'round the fireplace
Filling in the sun

Murderless, helping hands

In a soul removal

Leaders is century now
Kings who gives it to her for me....

Better I said

La...

Feeling light-headed , fly through the wall
You realize words that come after what you plan for
I need you but don't leave tomorrow 'cuz you will be
right

(muffled) Height Down, Height down, Height down
