And I make

(?) I made space
Ohhh sang the light (?)

All I saw was a blaze
Where the eyes were yours
I...he got a lot of (?) but he want it with him
Well no, and (?) space
And swallow it in your (?)
Ohhh sunshine Ohh
Please ahh

Welll change we are (?)
Ohhh leave it live it baby (?)
Oh change, leave alone

The light that we met
Oh I have rode
As the dawn goes on

I have seen thru
Lines of light
What it means to me
Is in a madman's eyes

In a little place of darkness
Heaven hid (?) so close your eyelids
Hey you have seen the same material
And grown..

Oh I have seen
Lines of light
What it means to me
Is in a madman's eyes

It's been so long
When you've seen the sun
Well it's been so long
That the heartaches of life

It's been so long
When you've seen the sun
Well yeah it's been so long
You're gonna (?) the sun (?)
