Crawled into my window breath
Suck a cock and I'll be
These will be, without staying the money
One loves me
Zero begins it
The one dream, everyones in it
Memories become me
Alone is the thing that lingers
I've been wait, run with me
Miss one moment, got a million love (?)

Have you one odd stray cord near (?)
One matter without him (?)
Whether with him to be(?)
(screaming)
Nigger song x5
Feel higher, feeling high and we
Feel higher, feel higher, feeling high and we
Feeling high and we, feeling high and we
Feeling high and we
