It had been necessary
Minora circuits by the bone, books
Get up, please, i fuck you
A sceneful dark grey room
Let there be any time
systems for guys
clinic outside
Space in music, body, sex towns
He a draculating hoolahoops
Of colour from the round outside
Like a baal
The door you appear
Watch this sky switch
I've got the fixin'
I am the big fix
I leer looks
But i got the pain
My heart to my last city-ya
It had been through by you
You won't cut the....

Lord, lord, Lord i don't even
Feel like a ballad photograph
If you stay near right now
He shoots through twice
round and round
i'm in a level background
Let them see us, man
TV program
Darling, Darla, I scream

Oooh, thats talking
about making, it all grew to balloon/ the loon...
smooth...
