To finger paint is not a sin  
I put my middle finger in  
Your monthly blood is what I win  
I'm in your house now let me spin

Python power straight from monty  
Celluloid loves got a john frusciante  
Spread your head and spread the blanket  
She's too free and I'm the patient

Black and white a red and blue  
Things that look good on you  
And if I scream don't let me go  
A purple stain I know

Knock on wood we all stay good  
'cause we all live in hollywood  
With dracula and darla hood  
Unspoken words were understood

Up to my ass in alligators  
Let's get it on with the alligator haters  
Did what you did I did what you said  
What's the point yo what's the spread

Black and white a red and blue  
Things that look good on you  
And if I scream don't let me go  
A purple stain I know  
And if I call for you to stay  
Come hit the funk on your way  
It's way out there but I don't care  
'cause this is where I go

Knock on wood we all stay good  
'cause we all live in hollywood  
With dracula and darla hood  
Unspoken words were understood

It's way out there  
But I don't care

'cause this is what  
I want to wear

Knock on wood we all stay good  
'cause we all live in hollywood

To finger paint is not a sin  
I put my middle finger in  
Your monthly blood is what I win  
I'm in your house now let me spin

Feather light but you can't move this  
Farley is an angel and I can prove this  
Purple is a stain upon my pillow  
Let's sleep weeping willow

Black and white a red and blue  
Things that look good on you  
And if I scream don't let me go  
A purple stain I know  
And if I call for you to stay  
Come hit the funk on your way  
It's way out there but I don't care  
'cause this is where I go

Knock on wood we all stay good  
'cause we all live in hollywood  
With dracula and darla hood  
Unspoken words were understood

It's way out there  
But I don't care  
'cause this is what  
I want to wear

Knock on wood we all stay good  
'cause we all live in hollywood
