One shot all I need  
I've got rhythm when I bleed

'til death do us part  
Break my heart so I can start

Supercalifragilistic  
Kiss me in the futuristic  
Twisted but I must insist  
It's time to get on top of this

Chorus:  
It's right on time  
It's right on time  
It's right on time  
It's right on time it's right on time it's right on time it's  
right on time  
Lookin' fine you're lookin' fine get on 1999  
It's right on time

Discard to bombard  
Calling all you shooting stars

Holy cow bow wow wow

Now I'm here I'm nowhere now

Joan of arc reincarnated  
Maybe we could be related  
So much blood to circulate  
And so much space to decorate  
Chorus

Plain and simple pain  
I want to but I can't complain

Death row let us go  
It's time to blow up for the show

All the world reverberated  
Coming through we motorcaded  
Vibrate when we operated

Turning up in solid stated

Oh lord
