No one dared to shuffle that shower  
when nobody cares to be clean  
was not even touched by the water  
just another nazi scheme yeah  
the big takeover yeah mile high the big takeover yeah

i'll do habit-so-called-ition  
prepare yourself for the final test  
the world is doomed with its own integration  
just another nazi test yeah  
the big takeover yeah mile high the big takeover yeah

so believe me when i say  
there's no hope for the USA  
the world is doomed with its own integration  
just another nazi test yeah  
the big takeover yeah mile high the big takeover yeah
