I can't get over it
Better go around
Can't get around it
I better go down
Can't get under, so
I better go up
And start all over again

I really didn't know
Didn't get to say goodbye
And though it still hurts
Don't know if I'll ever cry
I can't find words so
I shake my head and I
Try to start over again

There's trouble if you stay
And sorrow if you go
Seems like you leave to fast
Or you check out way too slow
Seems like every path
Leads to something I don't know
Over and over again

Feel like I'm running under water
I'm in way up over my head
God bless the sons and the daughters
Whose fate has not been set

I can't get over it
Better go around
Can't get around it
I better go down
Can't dig down, so
I better go up
And start all over again
And start all over again
