Trouble in mind, I'm blue
Oh, but I won't be, blue always
Cause the sun's gonna shine
In my backdoor someday

I'm gonna lay my head down
On that cold, cold, track
Let that 2:19 train come and scratch my back

I'm going down to the river
I'm going to bring back my rocking chair
And if the blues come and get me
I'm gonna rock away from here

I'm all alone around midnight
My life is burning low
I've never had so much trouble
In my mind before

Trouble in mind, I'm blue
Oh, but I won't be, blue always
The sun's gonna shine
On my backdoor someday
