It breaks my heart to see you cry.  
To close the door and say goodbye  
But IÃfÃçâ, Ñ™ ve run out of space and time  
Now thereÃfÃçâ, Ñ™ s no place left for us to hide  
I was just to late to learn that you canÃfÃçâ, Ñ™ t take  
a heart  
And not give in return  
Now your eyes donÃfÃçâ, Ñ™ t see mine anymore

So I am going down to the ocean  
Down to the sea  
To wash these sins all off of me  
And drown this pain and bad memories  
And leave blue with blue  
And never look back again

Choices come and choices go  
Temptation got the best of me you know  
IÃfÃçâ, Ñ™ m saying that IÃfÃçâ, Ñ™ m gonna  
change  
Well the more you push the more I stay the same  
WeÃfÃçâ, Ñ™ ve been through so many brand new  
starts  
Well the more you cry the more you start  
And I just donÃfÃçâ, Ñ™ t feel me anymore  
So IÃfÃçâ, Ñ™ m going down to the ocean  
Down to the sea  
To wash these sins all off of me  
And drown this pain and bad memories  
And leave blue with blue  
And never look back again

Never looking back again

I broke your heart I broke your trust  
All your forgiveness was a blessing that I  
couldnÃfÃçâ, Ñ™ t see  
Is there redemption for me

I go down to the ocean  
Down to the sea  
To wash these sins all off of me

And drown this pain and bad memories  
And leave blue with blue  
And never look back again
