Wishing on a shooting star
But dreams alone won't get you far
Can't deny your feelings anymore
The world is waiting right outside your door
What are you waiting for?

Come on, here's your chance
Don't let it slip right through your hands
Are you ready for the ride of your life?
Your dreams are riding on the wind
Just reach out and pull them in
Get ready for the ride of your life
The ride of your life

In your heart, you know what must do
You've only got yourself to answer to
Don't let fear of falling hold you down
Your spirit's flying high above the clouds
You're glory bound

Come on here's your chance
Don't let it slip right through your hands
Are you ready, for the ride of your life
Your dreams are riding on the wind

Just reach out and pull them in and
Get ready for the ride of your life

You're on your way, no looking back
There's no future living in the past
You're free at last, yeah
You're free at last

Come on here's your chance
Don't let it slip right through your hands
Are you ready for the ride of your life
Your dreams are riding on the wind
Just reach out and pull them in and
Get ready for the ride of your life
The ride of your life

Come on, come on get ready

Yeah, yeah, yeah
Your dreams are riding on the wind
Just reach out and pull them in
Get ready for the ride of your life
