After all this time  
I'm glad you're loving me  
'Cause after all this time  
So many disagree

To turn off the lights  
Or pull down the shade  
Don't be afraid  
After all this time

And after all this time  
I'm glad that you can see  
An' after all this time  
I'm the man I wanna be

Strong as your love  
Free as the wind  
Each day we begin  
After all this time

An' after all this time  
You love someone  
And love's becoming you  
After all this time  
Face the sun  
Everyday is new

And after all this time  
I'm glad I'm loving you  
'Cause after all this time  
We are the only two

Here in this world  
A love that time forgot  
But darlin', we will not  
After all this time

Here in this world  
A love that time forgot  
Darlin', we will not  
After all this time
