Someone to count on
In a world ever changin'
Here I am
Stop where your standin'

What you need is a lover
Someone to take over
Oh, girl
Don't look any further

And it's strange
When you think of the chances
That we've both been in a state of mind

Too cool to be careless
Lookin' for the right thing
Oh, baby
Don't look any further

Tonight we're gonna take a trip to paradise
Rockin' all night long
Baby
Daylight, daylight
I'll still be lookin' in your heavenly eyes
And we'll go on and on

Day-o, day-o
Mambu ji ay-o
Don't look any further
Day-o, day-o
Mambu ji ay-o
Don't look any further

Someone to count on
In a world ever changing
Here I am, baby
Stop right where you're standing

What you need is a lover
Someone to take over
Here I am, babe
Don't look any further, further...
