I thought I had to cut off from my head down to my
toes
But heaven knows that I was wrong, I'm feelin' again
Holding my breath and holed up in this cheap motel, I
feel like hell
I'm holding my own heart, I'm feelin' again

When I get that feeling like a bass drum
Pounding 'til my head is numb
Electric onion peeling within
I got that feelin' again

I got that feelin' again
I got that feelin' again
I got that feelin' again

And all those nights just kill a billion brain cells
Now I'm swelling up inside with teeth and nails, I'm
feelin' again
From the bottoms up, I put the top down on this town
And drove it around till I passed out, I'm feeling again

When I get that feelin' like a bass drum
Pounding 'til my head is numb
Electric onion peeling within
I got that feelin' again

I got that feelin' again
I got that feelin' again
I got that feelin' again

Feelin', oh, oh
Feelin'
Feelin', oh, oh
Feelin'

Morning comes like catholic guilt, wilted lettuce bar
The family farm on false alarms, I'm feelin' again
Holding on to fear and lust and hate, now it's too late
To spin the wheel, it's drink or feel, I'm feelin' again

When I get that feeling like a bass drum

Pounding 'til my head is numb
Electric onion peeling within
I got that feelin' again

I got that feelin' again
I got that feelin' again
I got that feelin' again
I got that feelin' again

I got that feelin' again
I got that feelin' again
I got that feelin' again
I got that
